Dear Arkansas educators:

Achieve, Inc. has announced that the final public review period for the Next Generation Science Standards (NGSS) will begin tomorrow, January 8, 2013 at 2:00 p.m. CST. The review period will end at the close of business on January 29, 2013. You will be able to view the draft of the standards and submit your comments at <http://www.nextgenscience.org>.

This will be the last opportunity to comment on the standards prior to the final copy, which is scheduled to be released in March of 2013. Please contact your local Education Service Cooperative or STEM Center Science Specialist for dates and times to view the standards with colleagues. Go to <http://arkansasngss.pbworks.com> to view a complete list of NGSS events being hosted by Co-ops and STEM Centers from around the state.

Thank you for your interest in the Next Generation Science Standards.

As always, please forward this information to fellow educators in our state! Thank you for serving the students of Arkansas!

Want to be added to the ADE CCSS ListServ?? If so, please send your name, e-mail address and district name to abby.cress@arkansas.gov
